

[Clean](#), an award-winning integrated branding agency, is now accepting applications for Fall 2018 internships at our Raleigh headquarters. We welcome students from any discipline who have an interest in marketing or communications. Internships run from September through December. Fall interns work onsite 20 hours per week and are able to set their own schedules based on their individual course load. Interns are paid at the current state minimum wage level for hours worked and must provide their own computers. More details can be found on our [site](#).

We will be accepting applications through early August.
