

Marketing Intern

We are looking for a stellar student or graduate who can help us create high quality content with our digital media marketing including updating our websites, and creating marketing collateral. This encompasses the creation of “product cards” that are shipped with the products that have high resolution pictures on them, and washing instructions. This also includes new Product Sheets, Specification Sheets, Cards for Yarn Reelings, and other printed media including box logo design and layout.

Qualities Needed:

The applicant should have strong writing skills. This is a prerequisite for the position.

The applicant should be confident and work well in a team environment.

The applicant should be proficient at Social Media Marketing.

Creativity. The applicant needs to be able to think “outside the box” and have a flair for the creation of high quality content. This includes photography, video, music, graphic design, and writing.

Please see our websites [www.Supremecorporation.com, and www.TuffnLite.com]. In September we are launching a brand of highly conductive yarns under the brand name Volt Smart Yarns.

We are looking forward to receiving from each applicant:

1. A Resume;
2. Writing sample;
3. Cover Letter; and
4. A link to any work that person has done in this genre.
