

INTERNSHIP ANNOUNCEMENT

Position: Sports Information Internship

Location: Lees-McRae College Athletics

START DATE: SEPTEMBER 1ST

END DATE: NOVEMBER 30TH

Lees-McRae College Athletics is searching for a qualified applicant to fill the role of Sports Information Intern for the 2022 Fall Semester.

The candidate will assist in the daily operations of the Sports Information Office as well as assisting with game-day duties at various home events and assisting with live stream protocols. Evening and weekend hours are required with this position. The intern will learn the aspects of how a sports information office operates on a day-to-day basis.

Responsibilities

Responsibilities include game-day coverage/event management/statistical tracking, assisting in Digital Network live stream production, assisting with the creation of digital signage, departmental publications, and game programs, maintaining the department's website, aiding in the general promotion of all intercollegiate athletic programs at Lees-McRae.

Preferred Qualifications

Working knowledge of Adobe InDesign and Photoshop, experience with various social media platforms including Facebook, Twitter, and Instagram, experience with StatCrew and NCAA LiveStats statistical software (specifically prior experience tracking statistics in the sports of basketball, lacrosse, soccer and softball).

To Apply: Email Patrick Smith (smithp@lmc.edu) and Travis Stanley (stanleyl@lmc.edu) a cover letter

and resume. Review of applications will begin as they arrive and continue until the position is filled.
