

Study Abroad and Experience the Wonders of France!

Inspiring Intercultural and Organizational Communication in France

Earn up to 6 Credits!

COM 3547: Coffee, Culture and Communication

COM 4152: Advanced Intercultural Communication

Open to all Majors!!!
Financial Aid available
for summer programs!

Experience the wonders of Paris, France, and the beautiful French Riviera coastal city of Nice, with their rich cultures, bustling businesses, breathtaking landscapes, phenomenal cuisines, and famous masterpieces and architecture. Immerse yourself in these two French regions as you explore and discover the art of living the French culture in this hybrid, experiential program. We will focus on the study of Intercultural and Organizational Communication within the workplace in and around Paris and Nice. You will engage with professionals and small business owners in an international setting and can earn up to 6 college credits while studying in these stunning locations. This will be an unforgettable experience, so do not miss this unparalleled educational experience.

Travel dates: June 15th - 29th 2027
