

[The Scholars with Diverse Abilities Program](#) is looking for an intern to support our communications efforts.

The purpose of the internship is to support the mission of the Scholars with Diverse Abilities Program by coordinating our communications including website, social media, newsletter, and more. Refer to <https://sdap.appstate.edu/> for more information about our mission, structure and those that we serve.

**Duties/Responsibilities could include but are not limited to:**

- Maintaining our website
- Publishing our monthly digital newsletter
- Coordinating our social media presence
- Communicating with prospective students
- Collaborating with our team to publicize events
- Making publicity videos of the program to support recruitment

An ideal candidate will have the ability to use Drupal, Google Suite, Canva, Scala

We are a highly collaborative and diverse team from a variety of disciplines. We work with our interns to support their career goals and encourage them to develop their leadership skills.

Contact Susan Hedges, SDAP Director, for more information. [hedgessh@appstate.edu](mailto:hedgessh@appstate.edu)
